

HOUMER'S 22ND BIRTHDAY

Dinner at Anahita, 16 Aug 2005

Being the artists that we are,
we just couldn't resist drawing
on the tables...

No love lost
between Jason
and Fi

Tim's profound
contribution

And so the inevitable ritual of signing the card under the table took place...

Oh what to write?!

These two are obviously Fi
and Albert...

...but who do these
fingers belong to?

Jason and Will

At last... the cake!

...and the card too!

The price to pay for being at a dear friend's birthday celebration
